## Safeguarding Children, Young People and Vulnerable Adults.

Living Waters Christian Fellowship (L.W.C.F.) is a Christian church and a registered charity based in the building at 81 Main Road in the community of Darnall, Sheffield 9. Most of the services and work with children and vulnerable adults are delivered from this building. The building is open to the general public on Sunday mornings and at various times throughout the week for our activities including a toddler group for pre-school children (which runs in school-term time) and a Foodbank open every week. L.W.C.F. insurance policy covers all groups for public liability and is displayed in our building.

We are concerned for the safety and well-being of all who use this building particularly, children and young people and those who are vulnerable.

L.W.C.F. believes it is our responsibility, to prevent the physical, sexual or emotional abuse of children, young people and vulnerable adults in relationship with us or who use our building. Therefore we have put in place a safeguarding policy, a printed copy of which is available upon request.

If you have any doubts or concerns about your responsibilities please report this to the church leader Brian Coleman.
